

COMMERCIAL LED EDGE-LIT EXIT

The Renaissance Series edge-lit exit features a quadruple-mounting capability and provides an attractive yet easy to install exit sign. The Renaissance can be surface-mounted, ceiling, wall, end or pendant. The sign can also be ordered with an optional kit for recessed mounting. The crystal clear lens panel provides excellent light distribution, exit visibility and quick snap-in installation. The Renaissance incorporates long life, energy efficient LED lamps that reduce energy costs and eliminate routine lamp maintenance. The under five-minute installation time makes it the fastest installed edge-lit exit on the market today.
