## EL

AC ONLY LOW PROFILE LED EDGELIT EXIT

### DIMENSIONS

### GENERAL DESCRIPTION

The EL Model edge lit exit sign features an unobtrusive ¼" thick upper body with a variety of trim & panel configurations. The ultra-bright clean illumination meets ADA requirements for low ceiling areas where plenum restrictions do not allow for recessed mounting or in fire rated ceiling applications.

### HOUSING

Durable decorative low profile UV stable thermo-plastic available in white or black meets UL 94-VO flame retardant standards. Fixture arrives complete ready to install in minutes.

### ILLUMINATION

Illumination is provided by the highest quality green or red Led's with a 10 plus year life expectancy with minimum degradation. Unit draws less than 1.5 watts @ 120 or 277 VAC.

### CODE COMPLIANCE

Tested and listed to UL 924 standards. Meets OSHA, NEC and NFPA Life Safety Codes.

### WARRANTY

5 Years standard fixture.
