

THE **ESCORT II**
 SERIES

EL-2MRS Series

UL Listed

Complies with NEC, Life Safety Code and OSHA.

Damp location listing is standard

Sealed maintenance-free batteries

- Lead-Calcium

The EL-2MRS Series is perfect for use where style and design is required in an economical package. The compact design, measuring only 5-1/2" by 12-1/8", will accommodate the space restrictions often encountered. Six volt, MR16, lamps are powered by a maintenance-free, Lead-Calcium battery to provide a clean, adequate amount of light. The snap-together thermoplastic housing facilitates mounting in any orientation.

Standard Features

Reliability

The EL-2MRS Series comes complete with a 3-year full warranty (Excluding lamps and fuses).

Unit Data

The EL-2MRS is completely self-contained. Constructed of high impact, UL recognized, 94.5VA thermoplastic. Six volt, MR16 halogen lamps, are housed in adjustable, gimbal-type, assemblies. All units are damp location listed.

Reliable Integrated Circuitry

The EL-2MRS Integrated Circuitry offers a 120/277 Vac 0.1/0.05 Amp input as standard. As well as automatic charging, instantaneous transfer, test switch, long-life LED AC charge monitor, temperature compensated charger, short circuit protection, low battery voltage disconnect, brownout protection, and lockout (automatic battery detection during installation).
