

Fluorescent Power Packs with Sealed Nickel Cadmium Battery

Model No.	DIMENSIONS			Mount Center
	A	B	C	
AM28	14.2"	1.18"	1.15"	13.7"
AM54	17.5"	1.18"	1.15"	17"

Dimensions are approximate and subject to change.

application Self-contained emergency ballast designed for use with most T5 or T8 fluorescent lamps. The AM28 & AM54 Series are ideal for use in linear lighting fixtures where ballast space is limited. The AM28 & AM54 Series is UL listed for factory installation or retrofit applications. They powers one existing lamps in a fixture for 90 minutes, the AM28 has an initial output of up to 500 lumens and AM54 to 825 lumens.

features

- **HOUSING:** Powder coated steel case and includes one piece indicator light and test switch
- **INSTALLATION:** simple and inexpensive. Unit mounts easily inside or on top of fixture utilizing wire end caps.
 - AM28 Series provides emergency power to most 2'-4' T5 or T8 single linear fluorescent lamp for a minimum of 90 minutes, at an initial output of up to 500 lumens.
 - AM54 provides emergency power to most 2'-4' T5 or T8 single linear lamp including HO and 40-55 watt 4 pin long compact fluorescent lamps for a minimum of 90 minutes, at an initial output of up to 825 lumens.
 - Will cold start and operate most 2'-4' T5 or T8 single linear fluorescent lamps.
 - Allows the same fixture to be used for both normal and emergency operation.
 - U.L. listed for new or retrofit installation.

- **ELECTRONICS:**
 - Fully automatic solid state charger.
 - Automatic transfer relay energizes lamp instantaneously upon failure of normal AC supply.
- **CONTROLS:** One piece indicator light and test switch
- **POWER REQUIREMENTS:** 120/277 dual voltage, 60 Hz, 2.5 watts.

battery

Maintenance-free, sealed, high temperature nickel cadmium battery.

unit selection chart

Model No.	Lamps Operated In Emergency Mode	Emergency Illumination Time	Lumens	Warranty
AM28	1 lamp 2'-4' T5 or T8 single linear fluorescent lamp	90 minutes	500	5 year full
AM54	1 lamp 2'-4' T5 or T8 single linear lamp including HO and 40-55 watt 4 pin	90 minutes	825	5 year full
